& LOCALLY SOURCED

We cook everything from scratch, by hand, everyday. Your order is prepared fresh for you using high-quality local meats, vegetables, fruits, eggs, and dairy products.

We believe in supporting our regional producers by showcasing their efforts in dishes that let their hard work shine. Even our changing roster of craft beers on tap celebrates the quality and range of brews available regionally.

YOU'LL TASTE THE DIFFERENCE.

All of the beef, pork, chicken, turkey, and eggs are raised five miles from the diner at our sister business, Walpole Valley Farms, using sustainable and humane practices.

Thank you for your support.
